(Junior members under 18 years old not permitted to use range without adult (21 or older) supervision.)

Range Rules

Members are responsible for knowing and abiding by all rules.

- The league is not responsible for any accidents or thefts which occur on league property
- Shooters must verify pits are either sealed or empty, and all lines clear before shooting
- Use of armor piercing ammunition is forbidden on league property
- Use of 50 BMG — or cartridge of equivalent size — is forbidden on league property
- Use of empty chamber indicators is required for all scheduled events
- Consumption of alcohol is not permitted prior to or during range use
- Membership cards must be shown upon request
- Use of eye and ear protection is required in all risk areas
- Club members are responsible for the actions of their guests
- Children on league property must be under direct adult supervision
- All targets must be placed in target carriers or in impact area. Do not shoot at rocks.
- Shooters are responsible for their rounds, all must end up in the impact area
- Do not litter or destroy league property
- Verify gate is locked upon leaving
- The range is to be used for shooting during daylight hours only

Membership and Range Use Policy

As of October 2013

Western Pennsylvania Cal. 30 League Inc. Reade Range 1257 Wippers Road Fallen Timber, PA 16639

The Western Pennsylvania Cal. 30 League Inc. (hereinafter referred to as league, the league, or league members), owners of the Reade Rifle Range located at 1257 Wippers Road Fallen Timber, PA 16639 are dedicated to competitive high power rifles shooting sports, and the safety and training involved in them. League disciplines include Conventional High Power, Mid-Range, Long-Range, Palma, Fullbore Prone, and F-Class shooting as described in the National Rifle Association rule book. The league also recognizes 1000 yard Benchrest shooting as described in the Williamsport light gun rules.

The league welcomes anyone wishing to participate in any of the league match disciplines listed above using a safe rifle and ammunition; membership is not required.

Membership will be required for end of year league awards, score reporting to NRA for classification or reclassification purposes, and personal range use. The league, through its officers and chairman, reserve the right to schedule the range ahead of personal member use for league matches, training clinics, senior and junior team practices, military personnel training and practice, regional and state championships, and special events.

For safety reasons personal range use will only be granted to members who participate in one or more of the league disciplines, thereby demonstrating the shooting competence and safety awareness that is necessary to be on the range unsupervised.

- Members using the range are responsible to know league range and safety rules.
- Members may bring guests to the range for the purpose of introduction and exposure to shooting disciplines.
- Membership cards must be on your person if requested while at the range for personal use.

Persons who fire or have fired in league matches and are not members of the league are not eligible for personal range use as a guest. Members who violate the guest policy will be in danger of losing all range privileges and or league membership.

This policy statement must be signed, dated, and filed once for all members.

I have read and understand this membership policy.
